FIRST AID MEASURES: IN ALL CASES OF DOUBT, OR WHEN SYMPTOMS PERSIST, SEEK MEDICAL ATTENTION IMMEDIATELY.

IF SWALLOWED — Immediately give 2 glasses of water and induce vomiting. Never give anything by mouth to an unconscious person. Call a physician or poison control center, or go to an emergency room immediately.

IF INHALED — Move person to fresh air. Seek medical attention if symptoms persist.

IN CASE OF EYE CONTACT — Hold eyelids apart and rinse eye with large amounts of water for at least 15 minutes. Remove contact lens if present and easy to do. Continue rinsing cautiously. Seek medical attention.

IN CASE OF SKIN CONTACT — Remove contaminated clothing. Wash skin thoroughly with soap and water or use a recognized skin cleanser. Wash contaminated clothing before reuse.
